#	RESPONSES	DATE
1	Business and green space from the south - positive. Green then the old Hooker/Dunlop building from the north - so good at first.	10/10/2017 9:48 AM
2	Some decent looking businesses, some buildings in disrepair	10/9/2017 9:22 PM
3	The round about is a good start, but there could be better attractions upon entering aside from an old welcome center, Wendy's, Tim Horton's, and Burger King.	10/9/2017 8:33 AM
4	Empty	10/8/2017 2:42 PM
5	Needs to be gardened	10/6/2017 10:26 PM
6	Small town environment.	10/6/2017 9:30 PM
7	Nothing in the island but fast food	10/6/2017 10:34 AM
8	None	10/6/2017 9:15 AM
9	I think it looks better now that the traffic circle is spruced up. Otherwise though I don't think the area immediately off the thruway reveals how nice the Island actually is. It's a little underwhelming.	10/5/2017 10:08 PM
10	not very welcoming	10/5/2017 12:35 PM
11	Look at all the fast food places! UGH	10/5/2017 9:46 AM
12	The traffic on the bridge is a major pain, but soon to improve	10/5/2017 9:24 AM

15	good signage good access, i think its ok	10/4/2017 7:15 PM

27	Very desolate	10/3/2017 8:48 PM
28	Not much going on. There's a car dealership and an amusement park.	10/3/2017 7:37 PM
29	190- from north- Rural; not much around 190- from south- congested. Too many lanes merging onto 2 lane bridge. Run down; overpass bridge (GI blvd to South Parkway)in rough shape. Run down "welcome center" building is first thing one sees off the first exit.	10/3/2017 6:57 PM
30	First impressions is an economically depressed area.	10/3/2017 6:51 PM

84	Unimpressed, could look nicer	9/30/2017 1:30 PM
85	From the south - needs sprucing up. From the north - beautiful undeveloped land with ugly toll barriers and highway.	9/30/2017 11:06 AM
86	From the north on the 190 S, I notice there's a lot of green space but it's not incredibly attractive (old building, weedy old lots, etc.). From the south on the 190 N, there's another abandoned building and there's some good fast food restaurants but overall Grand Island Blvd. looks run down and shabby with old, ugly buildings, run down motels, ugly houses with unkempt yards, and then toward the middle of the Island I notice things finally improve!	9/30/2017 10:27 AM

251	Entering Grand Island from the 190 in which direction? If from the south bridge, I wonder why the Niagara Falls information center remains closed. I also wonder where the "main street" is. From the north, I enjoy the green space offered by Buckhorn.	9/27/2017 9:26 AM

Continuing up the Blvd, someone might wonder where the heck the center of town is...If taking the 2nd exit, I look with very great appreciation to the right at the Spicer Creek wetland and hope no one is trapping in there.	9/26/2017 5:26 PM

12	This survey is poorly designed. The previous question asks whether there are enough programs for the "Adult Community." However, answering "No" triggers this question about programming for Seniors only. The Adult Population is anyone over 18 year of age. I would expect answering "No" would take me to a question that actually asks about programming for the broader Adult Population.	9/27/2017 9:26 AM

#	WHY	DATE
1	Unsafe for bicyclists on the south end with lack of 'clean' shoulders.	10/10/2017 9:50 AM
2	Poor condition of pavement, inadequate shoulder--this road was previously frequented by bicyclists from on and off Grand Island as part of perimeter route--now is unsafe for bikes and pedestrians	10/9/2017 9:37 PM
3	Speeding, no enforcement. A sign indicating your speed every 6 months or so has not helped. The drives will slow down for that and the day the radar is removed they will continue to speed. There is no reason why Webb should not be 30mph instead of 40mph like all other residential streets. While the new paving job was done well, the new yellow striping on the road gives it more of a "thruway" feel which I believe will encourage cars at faster speeds.	10/9/2017 8:39 AM
4	Traffic and lack of red lights	10/6/2017 10:30 PM
5	No sidewalk	10/6/2017 10:38 AM
