

Employment Opportunity

The Town of Grand Island is seeking a Full Time Conditional Permanent Principal Engineering Assistant. This engineering technician position involves assisting civil/sanitary engineers by compiling data, performing survey work (including using a Total Station and/or GPS), construction inspection preparing and reviewing drawings, and interface with the public. Strong knowledge of AutoCAD required and familiarity with GIS is beneficial.

Minimum Qualification:

A. Graduation from a two (2) year college or technical school with an Associate's degree in civil engineering or construction technology or completion of two (2) years of a four (4) year course leading to a Bachelor's degree in civil engineering

AND

B. A **MINIMUM** of two (2) years of practical experience in the civil/sanitary engineering field (required).

Salary Range - \$26.67 – \$29.58 per hour (steps in a collective bargaining agreement)

Erie County residency required.

Resumes to be submitted by November 16, 2018 to: Robert H. Westfall, PE, Town Engineer, Town of Grand Island, 2255 Baseline Road, Grand Island, NY 14072.
