

# Notice

## Grand Island Property Owners

**Mailboxes ...** A mailbox is an allowed infringement on the right-of way. When such a box is too low or too far out on the right-of way, they are a hazard to traffic and may be hit by snowplows. Municipalities are not responsible for any damage done to such mailboxes. [Highway Law 319]

**Snow on the right-of-way ...** It is against the vehicle and traffic law to push or drop any foreign material on such a right-of way. Anyone doing so is subject to fines and or penalties. If such material causes an accident, the person responsible is liable for damages. [Highway Law 1219]

Please observe our “**No Parking**” ordinance on all public highways between the hours of 2:00 a.m. thru 7:00 a.m. from November 1<sup>st</sup> thru March 31<sup>st</sup>. This allows us to give you effective snow plowing in all areas of the town. Our Town of Grand Island Police Department and the Erie County Sheriff’s Department enforce this ordinance.

JT Tomkins  
Superintendent Highways

Dick Crawford  
Deputy Highway Superintendent
