

- Did you get a new phone or device for the holidays?
- Are you still fighting to use features on your current devices?
- Do you just want to give up on technology?
- Do you just want to learn how to use the darn thing?

If you can answer yes to any of the above, then this program is for you!

Technology Basics Class
Monday, January 30 at 1:00 pm
Golden Age Center

Join Carrie as we navigate a variety of issues/facts concerning devices you might have.

Do you want to:

- Shop at Target online and pick up in the parking lot (delivered to your car—no extra fees)?
- Shop at Walmart and do the same thing regarding pickup?
- Hook your phone up to Bluetooth in your car?
- Learn how to add, change or delete contacts in your phone, or
- Check your email?

You too can become proficient in these things and more!

Please register for this class by calling the office at (716) 773-9682

Must be open minded and willing to work on your device! This is an overview to assess the needs of the participants BUT you can also make additional appointments after the class for future 1:1 instruction on a wide variety of topics.
